Re: First Day Evidence

Front Jacket Cover - "new evidence"

Back Jacket Cover - "new evidence, some never before seen, is now revealed direct from the original file of the Dallas Police Department
"over 140 original photographs and evidence"
"Many of the photographs dealing with the investigation, which are revealed here, some for the first time."

Inside Front Flap- "Rusty's first generation photos are possibly the most important documentation to date."
"original Dallas police evidence"
"Rusty's photos are original and did not pass through the bureaucracy of the FBI, the Warren Commission (WC), or the 1979 House Select Committee on Assassinations (HSCA)"
"first generation photographs"
"original photo copies"
"Pick up a copy of The Warren Commission Report and note the clarity of the first generation photos shown here compared to the other second and third generation photos published to date."

P. 14 some material has not been seen by the public for nearly 3 decades

p. 15 reference copy

p.72 everyone wanted pictures, FBI & Secret Service

p. 87 previously seen, some previously unseen

p. 91 Studebaker map of crime seen

- p. 92 latent fingerprint photos
- p. 93 LHO fingerprint card - Parkland morgue; thought it would long ago have found its way into a museum - treasure

- p. 94 backyard 133-C, citizen photos

- p. 95 LHO belongings - one of the photos had not been seen before by the public

- p. 101 evidence contained in Rusty's briefcase provides a tremendous amount of previously unpublished information
5 copies of 5 photographs made directly from original police negatives

- p. 109 Day's trigger house photos - Rusty had first generation - best quality

- p. 110 Rusty has original fingerprint card

- p. 119 what Rusty possesses - extremely important in order to clarify much of the controversy

- p. 120 Scaliece letter - all of those photos not available in '63 or '78

- p. 131 experts couldn't tell the difference between camera copy and original

- p. 132 copy camera fooled the experts
133-A 8" x 10"

- p. 141 Rusty's 133-A and 133-C - clearest prints available to public - possibly

- p. 145 map by Studebaker; copy of map

- p. 148 this presentation ... clearest first generation photographs ever before seen
Made from the original Dallas police press camera negatives
At least 1 set of IST generation photo prints from original Dallas police negatives probably given to FBI

- p. 183 1st day evidence - much seen though not s/as much clarity, some has not been seen

- p. 200 photo and documentary evidence possessed by Rusty gives a clear firsthand look

- p. 201 forty-something sets of photographs
Rusty made reference copy of photos

p. 207 photo 81 items collected at Paine house

p. 208 possible FBI seized all other copies and negatived from police; not knowing Rusty had set

p. 239 much of evidence seen before but direct from Dallas files, no FBI

p. 246 copy of magazine ad - 40" rifle, not 36" as in WC

p. 269 Bowles and Dallas police tapes
