Dear Ms. Gladstone:

Thank you for your January 27, 1996 letter to the members of the Review Board. They have asked me to respond to you on their behalf.

The Review Board shares with you the desire to make more information about the assassination of President Kennedy available to the American public. The Board has demonstrated this commitment to openness through the records which it has released in recent months.

Again, thank you for writing to the members of the Review Board. We will continue to keep you informed of the Board's activities in the future.

Sincerely,

Thomas E. Samoluk, Esq.
