Dear Mr. Hart:

Thank you for your recent letter to the Assassination Records Review Board. Mr. Tunheim asked me to respond.

Please be assured that the Review Board is committed to ensuring the broadest possible release of records related to the assassination of President John F. Kennedy. Although it is not our responsibility under the law to answer the questions that remain concerning the assassination and its aftermath, it is our duty to do our best to find all of the remaining records and secure them at the National Archives so that the public has full access to them.

Again, thank you for your interest in the Review Board. The Board appreciates your taking the time to convey your thoughts.

Sincerely,

Thomas E. Samoluk, Esq.
Press and Public Affairs Officer
