*Dear Jim:*

*I would like to take this opportunity to thank you for getting us a hearing room at the State House for our public meeting on March 24, 1995. Everything worked out extraordinarily well. Having the meeting at the State House allowed many more interested individuals to view our proceedings, consistent with the clear desire of the Congress to have the Board operate in an open and accessible manner.*

*Thanks again for making things easy for the Review Board and me. I hope I can return the favor upon my return to Boston.*

*Sincerely,*
