Dear Mr. Kahn:

This is in response to your letter of July 8, 1995 to Mr. David Marwell, Executive Director of the Assassination Records Review Board. Mr. Marwell has asked me to respond to you.

Please be assured that the working papers of the House Select Committee on Assassinations (HSCA) will be carefully reviewed and aggressively processed under The President John F. Kennedy Assassination Records Collection Act of 1992 which states that "all Government records concerning the assassination of President John F. Kennedy should carry a presumption of immediate disclosure."

Thank you for writing and for your interest in the work of the Review Board. Please note the correct address of the Board on the letterhead above for future correspondence.

Sincerely,

*Thomas E. Samoluk, Esq.
Associate Director for Communications*
