Dear Mr. Killam:

Thank you for recent letter regarding a specific document which you were trying to obtain from The President John F. Kennedy Assassination Records Collection at the National Archives.

I have enclosed for your information the twelve pages which are identified under Record Identification Form number 179-20003-10444. The Review Board did not have to review this document. It was reviewed by the agency and released on its own under The President John F. Kennedy Assassination Records Collection Act of 1992. The Review Board only reviews records which agencies initially review and are seeking to keep closed. In this instance, I simply asked one of our records analysts to request the document from the National Archives and retrieve it for you.

Again, thank you for writing to the Review Board. I have attached a fact sheet on the Board for your information. Our apologies for the delay in responding to your request.

Sincerely,

*Thomas E. Samoluk, Esq.
Press and Public Affairs Officer*
