Re: Attached Letter from Mr. Jim Koepke

---

I have attached a letter which I received today from Mr. Koepke. You may recall that he has written to us before regarding his interest in Mr. Mike Hall (former ATF agent and recently deceased) and records that may be in the possession of ATF Agent Jim Kuboushek relating to Hall's alleged knowledge of CIA involvement in the assassination. In this letter he chronicles his efforts to get records from ATF.

I have also attached Koepke's previous letters for your reference.

Please advise me whether or not you think we should pursue this lead. I would be glad to discuss the matter and will hold off responding to Koepke until a decision is made. Perhaps it is worth us calling Kuboushek and getting his statement as to whether or not he possesses any relevant records.
