Dear Mr. Levy:

Thank you for your letter of April 2, 1995 to Mr. John Tunheim. He has asked me to respond to you.

The Review Board has received a significant volume of information regarding materials that people would like to see included in the President John F. Kennedy Assassination Records Collection. All of this information will be carefully reviewed, including what you have previously provided. The Review Board would be interested in any additional information which you believe is relevant to the Board's mandate to identify, secure and make public records related to the assassination.

Again, thank you for your letter to Mr. Tunheim. We appreciate your continuing interest in the Board's work.

Sincerely,

Thomas E. Samoluk, Esq.
Press and Public Affairs Officer
