Dear Mr. Livingstone:

The Review Board is in receipt of your February 11, 1995 letter. Mr. David Marwell has asked me to respond to you.

Upon receiving your letter, I personally reviewed the printed transcript of your testimony and compared it with the videotape of your testimony. This comparison showed that the transcript accurately reflects your testimony as delivered before the Review Board on October 11, 1994.

Please let me point out that your testimony begins on page 44 and ends on page 47 of the transcript. The references you make to the transcript in your letter seem to indicate that you think that your

testimony begins on page 46. Everything that you said while testifying before the Board at the hearing is completely covered in pages 44-47 of the transcript. If you are missing any pages of the transcript, please let me know. I am also willing to send you a videotape of your testimony.

The two specific minor changes which you requested on page 46 of the transcript will be made in the permanent record. These changes are:

1. making the sentence on page 46 which starts with "The engage..." read "They engage..."; and
2. in the sentence on page 46 which begins with "So it..." adding a comma after National Archives and putting a question mark at the end of the sentence after the word "harassment."

-2-

I will provide you with the full text of your testimony, with these minor changes, as soon as they are made on the computer.

Please do not hesitate to contact me at (202) 724-0088, if you have any additional questions or comments.

Sincerely,

Thomas E. Samoluk, Esq.
