Dear Mr. Livingstone:

Thank you for your recent letter to Mr. Tunheim in which you provide the Review Board with information relative to what you have identified as "The Beverly Oliver Film." He asked me to respond and let you know that this information will be added to the other materials for review that you have previously provided.

As I know you are aware, the Congress made clear that the Board is to use the expertise that individuals such as yourself have gained through many years of research. That is why the type of information you have sent to use will be very useful when the Board begins the actual review of records and the search for additional documents.

Again, thank you for your continuing interest in the Board and for your assistance.

Sincerely,

Thomas E. Samoluk, Esq.  
Press and Public Affairs Officer
