Dear Mr. Milam:

Thank you for your letters of June 30, 1995 to Mr. David Marwell regarding specific assassination records, some of which you had discussed with him in New Orleans. Mr. Marwell has asked me to respond to you.

Please be assured that all of the information with which you have provided the Review Board will be carefully reviewed. The Board has accumulated a significant amount of information regarding the assassination from informed individuals such as yourself. The staff is processing, reviewing and organizing all of this information in a manner which will allow for coordinated, effective and efficient action.

Again, thank you for attending the public hearing in New Orleans, for taking the time to provide additional information and for your continuing interest in the work of the Review Board.

Sincerely,
