Dear Mr. Mather:

Per the telephone message which I received from you on April 5, 1995, I am enclosing a complete copy of the Governmental Affairs Committee hearing report on the nominations of the Board members, as printed by the U.S. Government Printing Office. As you noted in your message to me, the photocopy of the hearing report which I previously sent to you was missing several pages.

In addition, I have enclosed the transcript of the March 24, 1995 public meeting in Boston.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Thomas E. Samoluk, Esq.
Press and Public Affairs Officer
