Dear Mr. Rendek:

Thank you for the letter which you faxed to Mr. John R. Tunheim, Chair of the Assassination Records Review Board, on April 6, 1995. Mr. Tunheim has asked me to respond to you on his behalf.

The Review Board would be interested in any specific, and to the extent possible, documented information which you may have relative to the identification and location of records related to the assassination of President Kennedy. The Congress made clear that the Board is to use the expertise that researchers have acquired. Consistent with this Congressional intent, the Board has made a concerted effort to take advantage of this body of knowledge through public hearings and other communications with researchers.

Again, thank you for writing to Mr. Tunheim to introduce yourself.

We look forward to receiving any information from you which may assist the Board in fulfilling its mandate to make a full record of the assassination of President Kennedy available to the American public.

Sincerely,

*Thomas E. Samoluk, Esq.
Press and Public Affairs Officer*
