Mr. Frank Rigg  
The John Fitzgerald Kennedy Library  
Columbia Point  
Boston, Massachusetts 02125

Dear Frank:

I wanted to thank you for getting me the Cuban Missile Crisis tapes. I have really enjoyed listening to them. They are so rich with the history of the event. I even went out and bought another book on the Crisis to supplement the tapes. As I mentioned, I would like to pay the regular cost of the tapes. It is important to me because I know the money goes back into the Library. Please have someone bill me and I will provide payment.

It was a pleasure working with you in preparation for, and during, our trip to Boston. I am confident that the Board and the Library can coexist, with both achieving their goals.

Thanks again for the tapes.

Sincerely,

Thomas E. Samoluk
