*RE: TV News Coverage of Review Board's June 28th Public Hearing in
New Orleans*

I spoke with one of your colleagues today about obtaining videotapes of New Orleans TV coverage of our 6/28/95 public hearing. Per his request, here are the televisions stations which covered the hearing, probably at noon, 6:00 p.m., and late evening news:

WDSU - TV 6 - NBC

WVUE - TV 8 - ABC

WWL - TV 4 CBS

WNOL - TV 38 - Fox

I'm sorry I did not get his name. I requested a list of the coverage and then I will choose what I want to order.

Thanks for your help. I look forward to hearing from you.
