Mr. Richard Trask
35 Centere Street
Danvers, MA 01923

Dear Dick:

It was nice to talk to you today. Thank you for your time. Per our conversation, I am enclosing the front and back of the jacket from the Sloan book. It's the Glick photo from the back that I found interesting and had never seen before.

Again, thanks for your help. Please let me know if any other thoughts come to mind about the pursuit of the photographic record.

Sincerely,

Tom Samoluk
