**Re: Expenses for Individuals Associated with Review of Records of
Richard Case Nagell**

The following individuals incurred expenses in connection with the review of Richard Case Nagell's files which I conducted on November 27, 1995:

Mr. Robert Nagell
4842 Barbarossa
San Diego, California 92115

Ms. Delores Hopper
P.O. Box 549
Quechee, Vermont 05059

Mr. Larry Jenkins
P.O. Box 549
Quechee, Vermont 05059

Please note the following expenses for which these individuals were advised they would be reimbursed:

1. Ms. Hopper and Mr. Jenkins changed their American Airlines flight at the request of the Review Board to stay an extra day in California and review records with me. Mr. Jenkins incurred a penalty of \$100.00 for the change in flight plans. Receipt attached.
2. Ms. Hopper and Mr. Jenkins stayed an extra night at the Santa Monica Holiday Inn Bayview Plaza to review records with me. Mr. Jenkins paid \$115.36 to stay the extra night. Receipt attached.
3. Because Ms. Hopper and Mr. Jenkins stayed an extra day to review records with me on November 27, 1995, my understanding is that they are entitled to a per diem.
4. Mr. Nagell traveled from San Diego to Santa Monica to reviewed records with me on November

27, 1995. My understanding is that he is entitled to a per diem.

Val - All of this was discussed with David and Tracy. Please do not hesitate to see me if you have any questions or if any of the above information is unclear. As always, thanks for your assistance
