*Dear Mr. Wallace:*

*Thank you for your letter of June 5, 1995 regarding the film made by Dallas Cinema Associates (DCA).*

*The Review Board is in the process of doing a comprehensive review of what photographs and films are already in The President John F. Kennedy Assassination Records Collection, which is housed at the National Archives, and what photographs and films should be added to the Collection. Should the Review Board determine that the DCA film is an "assassination record" and does make it part of the Collection, it would be subject to whatever copyright restrictions that already exist on the film.*

*For your information, I have enclosed an article on the DCA film from The Third Decade, A Journal of Research on the John F. Kennedy Assassination.*

*I provide this article without comment on the contents or the veracity of the information, but I thought it would be of interest to you with regard to obtaining a copy of the film.*

*A list of films and photographs that are part of the Collection can be obtained by writing to the National Archives. The correct address in on*

*their brochure which I have enclosed for your information. In addition, I have enclosed a fact sheet on the Review Board.*

*Again, thank you for writing and for your interest in the work of the Review Board.*

*Sincerely,*
