Dear Mr. Weberman:

Thank you for the copy of your May 16, 1995 letter. As you are aware, according to the Record Identification Form the documents in which you are interested have been referred to the United States Army for review, consistent with The President John F. Kennedy Assassination Records Collection Act of 1992. At some point after the completion of this process, the Assassination Records Review Board will review the documents and make a determination on disclosure.

Again, thank you for providing us with a copy of your letter.

Sincerely,

Thomas E. Samoluk, Esq.
Press and Public Affairs Officer
