*Dear Ms. Wegmann:*

*On behalf of the Assassination Records Review Board, I would like to take this opportunity to thank you for agreeing to contribute your father's records from the defense of Clay Shaw to the President John F. Kennedy Assassination Records Collection, housed at the National Archives. These records will add significantly to the completeness of the Collection and will be preserved under the best archival conditions in the world.*

*The Board also appreciates your agreeing to testify at our public hearing in New Orleans on Wednesday, June 28, 1995. The public hearing will be conducted in the third floor auditorium at the Old U.S. Mint Building, located at 400 Esplanade Avenue, and will begin at 10:00 a.m. Because the Board will hear from you and other witnesses as one of the first items on the agenda, we ask that you arrive at 9:45 a.m., if possible. After*

introductory remarks by Mr. John R. Tunheim, Chair of the Review Board, the witnesses will be called.

The Board has set aside 10 to 15 minutes for the testimony of each witness. It would be helpful to the Board if during your testimony you described your background, your father's role in the case, and the contents of his collection of papers. It would also be interesting for the Board to hear that you actually attended the Clay Shaw trial. In addition, the Board would like to extend to you the opportunity to submit a prepared written statement that would become part of the permanent record of the public hearing. If you choose to provide us with a written statement, it would be helpful for us to receive it by Wednesday, June 21, 1995.

We look forward to having you testify at our public hearing on June 28th in New Orleans and receiving your father's papers. Please do not hesitate to contact us if you have any comments or questions prior to the hearing. A fact sheet on the Review Board is enclosed for your additional information.

Sincerely,

Thomas E. Samoluk, Esq.
