Dear Mr. Winslow:

Per your telephone message of July 26, 1995, I am enclosing a copy of the agenda which formed the basis of discussions at the experts meeting on May 16, 1995. We do not have a transcript of the meeting. A working list of documents mentioned during the course of the meeting was made, but is not being distributed at this time, as we seek to follow the various leads and suggestions made by the participants.

Thanks for your continuing interest. I will be sure to let you know if a decision is made to hold the next public hearing in Florida.

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director for Communications
