Dear Mr. Young:

Per your request of February 28, 1995, I am enclosing a three page fact sheet on the Review Board. In addition, I have provided you with a brochure put out by the National Archives on the law which created the Review Board. The Archives would be able to provide you with the most up-to-date information on the JFK Assassination Records Collection, as they are the official custodian of the records.

Thank you for writing and for your interest in the Review Board. Please do not hesitate to contact us again if you need additional information. I have added you to our mailing list and you will periodically receive information on the Board's activities.

Sincerely,

Thomas E. Samoluk, Esq.
Press and Public Affairs Officer
