Re: Extension of Accreditation

Dear Ms. Roberts:

This letter is to serve as our request that the accreditation of the account for the Assassination Records Review Board be extended with changes for calendar year 1997.

The ARRB designates the following individuals as FPOs:

David G. Marwell, Executive Director  
T. Jeremy Gunn, General Counsel  
Douglas P. Horne, Supervisory Analyst  
James C. Goslee, Analyst

I have enclosed Certificates of Understanding and DD Form 577s for each authorized representative of the ARRB. Please contact me if you require any additional information.

Thank you for your continued assistance.

Sincerely,

Tracy J. Shycoff  
Associate Director for Administration and  
Deputy Security Officer
