NOTE: Chicago hoodlum Gus Alex and his paramour visit Switzerland each winter on vacation and Legat Bern has established appropriate coverage in past years through Swiss authorities. Following last visit of Alex during past winter Swiss authorities issued a prohibition against Alex's re-entry into the country on the basis that he was an undesirable. Alex has appealed and Swiss police now advise they feel there is some question of identity as to whether there are two persons by the name of Gus Alex involved and have requested further verification concerning this.
