PH 92-441

appearing at INS hearing.

PH 665-C-TE has advised BUFALINO stated to Informant that WASSERMAN wants to subpoena records of Federal Agencies including FBI into hearing, and will do anything to accomplish this.

FBI has not been mentioned in press in connection with WASSERMAN's charges. Article appearing in Philadelphia Inquirer Friday morning, 4/10/64, states as follows: "Attorney for RUSSELL BUFALINO, 60, charged Thursday at deportation proceedings that the Federal Government was monitoring telephone calls and mail of his client, and called upon the agencies 'to disclaim this contention or acknowledge it'".

Since WASSERMAN's charge was emphatically refuted in official records of hearing, and since FBI not specifically mentioned in press in article reporting instant hearing, it is felt best interest of Bureau has been served, and no further action is recommended.

Hearing will be closely followed and Bureau advised of any pertinent developments.
