TO: Helen Skoff, DC/FPLG/PS
FROM: Don Baker, FPLG/PS
SUBJECT: NOSENKO FOIA Requests

Attached is a list of NOSENKO cases that are listed in the GIMS TERM printout, according to the status of each case. I discovered a total of ten cases.

As we agreed this afternoon, I am sending to CI Staff a memo requesting their assistance in processing these requests. Russ Holmes told me today that he would visit CI/OPS and brief them on the details.

NOSENKO CASES

OPEN CASES

1. F75-6669/WEISBERG

This request number covers several requests concerning the JFK assassination. One query involves the Warren Commission's interest in NOSENKO. Though F75-6669 is still an open appeal request, WEISBERG will not be furnished with additional Agency documents until he pays the Agency the money he owes--over \$1000.

2. F77-0417/SULLINS

This is the first request which asked for all information on NOSENKO. As the Oswald 201 file contained some documents relating to NOSENKO, the processing of this request was halted while the JFK/Oswald review was taking place. Some documents from that review could now be released to SULLINS, but his request must still be referred to CI Staff, as they hold a large number of documents pertaining to NOSENKO and his handling by CI Staff in the 1960s.

3. F78-1270/HAYNES 03

[redacted] of IPD has been holding this request in the (mistaken) belief that DDO has been actively working on processing NOSENKO files.

4. F80-0605/CRAMER

This request asks for information on both NOSENKO and GOLITSIN. It was referred to DDO in July 1980, but no action has been taken on it.

CLOSED CASES

1. F78-1254/DORFF

The requestor asked seven specific questions relating to NOSENKO; answers to these questions were denied.

2. F79-0510/MARTIN

Requested copies of documents named in James J. Angleton's suit against the Agency, concerning the Agency's handling of NOSENKO. Some documents were released, in sanitized form. CI Staff was involved in this case.

112

3. F79-0521/WRONE

Cancelled when requestor failed to respond to a notification of Agency search fees and copying charges.

4. F80-0130/VELKAS

Same as above.

5. F80-366/ALEXANDER

Same as above.

ADDITIONAL CASE

F77-1183/?

This case is carried in the TERM printout under "NOSENKO," and is a cross-ref. in the F80-0130/VELKAS listing. However, it is not found in any of the other GIMS printout books, nor is there an IRB file or file record for this case.
