We are interested to obtain further info

on a product called ^{either,} M42 or by name similar to it.

This is distributed by Parke-Davis. as an anesthetic and
is considered far superior ~~to other agents~~ to other agents,
such as tertiary amyl alcohol.

V We should like to know

- 1: the nature of the interest which ~~the~~ ^{name added} ~~company~~ has in mushrooms, including possible use in rubber-production.
- 2: the identity of such mushrooms of possible strategic significance, medicinal, industrial, psychogenic etc.
- 3: The sources and scope of research
- 4: The results obtained thus far and those expected.

VI

We should like to know

- 1: the nature of the interest which ~~the~~ ^{name added} ~~company~~ has in mushrooms, esp. potent and psychogenic types.
- 2: the identity of such mushrooms, their sources
- 3: The scope of research, if any, - the results obtained and expected.

VII

We should like to know

- 1: whether ~~the~~ ^{name added} ~~company~~ has a barbiturate called diboral or somewhat like this, said to be a convulsant in excessive amounts.
- 2: whether the same company has available a new compound called valamine or valamid, possibly a psychogenic agent or the newly developed sedative (?)

- We should like to have the available literature and samples, if available
- 3: whether the same company has triazol or tricol, an analog of notriazol, said to be a convulsant in excessive amounts, - or info who manufactures and distributes this compound.

We should like to have the available literature, and samples, if available
