[REDACTED]

Dear Mr. Greenewald:

This responds to your Freedom of Information Act (FOIA) request of 15 September 2014, which was received by this office on 15 September 2014, for "a copy of all documents pertaining to 'Noah's Ark.'" Your letter has been assigned Case Number 79110. For purposes of this request and based on the information you provided in your letter, you are considered an "all other" requester. As such, you are allowed 2 hours of search and the duplication of 100 pages at no cost. There are no assessable fees for this request.

The National Security Agency/Central Security Service (NSA/CSS) is the nation's cryptologic organization, and we have a twofold mission. Our Information Assurance mission is to provide solutions, products, and services to protect U.S. information infrastructures critical to national security interests. In response to requirements set at the highest levels of government, our Signals Intelligence mission is to collect, process, and disseminate intelligence information from foreign signals for national foreign intelligence and counterintelligence purposes. The information you request does not fall within this Agency's intelligence mission or Information Assurance mission. Although the subject of your request does not fall within the purview of this Agency, we conducted a search reasonably calculated to uncover relevant documents, and as expected, we could not locate records responsive to your request.

The Initial Denial Authority for NSA information is the Associate Director for Policy and Records, David J. Sherman. The fact that we were unable to locate records responsive to your request may be considered by you as an adverse determination, and you are hereby advised of this Agency's appeal procedures. Any person notified of an adverse determination may file an appeal to the NSA/CSS Freedom of Information Act Appeal Authority. The appeal must be postmarked no later than 60 calendar days after the date of the

initial denial letter. The appeal shall be in writing addressed to the NSA/CSS FOIA Appeal Authority (DJ4), National Security Agency, 9800 Savage Road STE 6248, Fort George G. Meade, MD 20755-6248. To aid in processing the appeal, it should reference the inability of the Agency to locate the records you seek, in sufficient detail and particularity, and the grounds upon which you believe this Agency maintains such records. The NSA/CSS FOIA Appeal Authority will endeavor to respond to the appeal within 20 working days after receipt, absent unusual circumstances.

Sincerely,

A handwritten signature in cursive script, appearing to read "Pamela N. Phillips". The signature is written in black ink and is centered below the word "Sincerely,".
