Re: NRO FOIA Case #F14-0138 (Request Control Number 680)

Dear Mr. Greenewald:

This is in response to your request dated 7 September 2014, received in the National Reconnaissance Office on 8 September 2014. Pursuant to the Freedom of Information Act (FOIA), you are requesting "a List of all NRO directives as of the date of this letter."

Your request has been processed in accordance with the FOIA, 5 U.S.C. § 552, as amended. While the FOIA does not require agencies to conduct research or create records in response to a request, in this case, after a thorough search of our records and databases, we were able to extract and compile five pages of information responsive to your request. This information is being released to you in part.

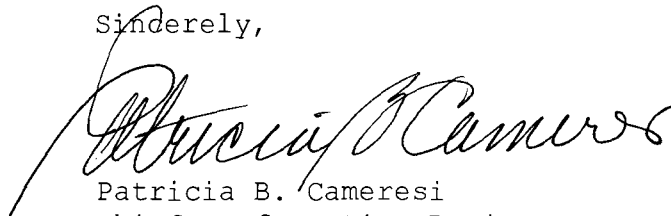

Material that is denied is being withheld pursuant to FOIA exemption (b) (1) as properly classified information under Executive Order 13526, Section 1.4(c); and FOIA exemption (b) (3), which is the basis for withholding information exempt from disclosure by statute. The relevant withholding statute is 10 U.S.C. § 424, which provides (except as required by the President or for information provided to Congress), that with respect to the NRO, "no provision of law shall be construed to require the disclosure of (1) the organization or any function" of the NRO; or "(2) the number of persons employed by or assigned or detailed to any such organization or the name or official title, occupational series, grade, or salary of any such person."

The FOIA authorizes federal agencies to assess fees for record services. Based upon the information provided, you have been placed in the "other" category of requesters, which means you are responsible for the cost of search time exceeding two hours (\$44.00/hour) and reproduction fees (.15 per page) exceeding 100 pages. In your request, you indicated willingness to pay fees up to \$20.00. No assessable fees were incurred in processing your request.

You have the right to appeal this determination by addressing your appeal to the NRO Appeal Authority, 14675 Lee Road, Chantilly, VA 20151-1715 within 60 days of the date of this letter. Should you decide to do so, please explain the basis of your appeal.

If you have any questions, please call the Requester Service Center at (703) 227-9326 and reference case number **F14-0138**.

Sincerely,

A handwritten signature in black ink, appearing to read "Patricia B. Cameresi". The signature is fluid and cursive, with a long, sweeping underline that extends to the left.
