NATIONAL RECONNAISSANCE OFFICE

14675 Lee Road  
Chantilly, VA 20151-1715

19 October 2009

Mr. John Greenewald  
[REDACTED]

Dear Mr. Greenewald:

This is in response to your e-mail dated 29 May 2009, received in the Information Management Services Center of the National Reconnaissance Office (NRO) on 01 June 2009. Pursuant to the Freedom of Information Act (FOIA), you are requesting a copy of "...a list of the official histories at the NRO; the NRO Records Released Index; the list of all NRO directives..."

Your request was processed in accordance with the Freedom of Information Act, 5 U.S.C. § 552, as amended. A thorough search of our files and databases found no records in response to your first item, a list of the official histories at the NRO. We located one record totaling eight (8) pages in response to your third item, list of all NRO directives. This record is being released to you in part.

The material being withheld is denied pursuant to FOIA exemption (b)(1) as properly classified information under Executive Order 12958, Section 1.4(c).

Your second item, the NRO Records Released Index, was specifically addressed in our acceptance letter to you.

The FOIA authorizes federal agencies to assess fees for record services. Based upon the information provided, you have been placed in the "educational/scientific/media" category of requesters, which means you are responsible for duplication fees (.15 per page) exceeding 100 pages. In this case, no assessable fees were incurred. Additional information about fees can be found on our website at [www.nro.gov](http://www.nro.gov).

You have the right to appeal this determination by addressing your appeal to the NRO Appeal Authority, 14675 Lee Road, Chantilly, VA 20151-1715 within 60 days of the date of this letter. Should you decide to do so, please explain the basis of your appeal.

If you have any questions, please call the Requester  
Service Center at (703) 227-9326 and reference case number F09-  
0074.

Sincerely,

Linda S. Hathaway  
Chief, Information Access  
and Release Team
