ACTION MEMO

OFFICE OF THE  
SECRETARY OF DEFENSE

November 27, 2002 (1:00 PM)

FOR: SECRETARY OF DEFENSE

DEPSEC \_\_\_\_\_

FROM: William J. Haynes II, General Counsel *WJH*

SUBJECT: Counter-Resistance Techniques

- The Commander of USSOUTHCOM has forwarded a request by the Commander of Joint Task Force 170 (now JTF GTMO) for approval of counter-resistance techniques to aid in the interrogation of detainees at Guantanamo Bay (Tab A).
- The request contains three categories of counter-resistance techniques, with the first category the least aggressive and the third category the most aggressive (Tab B).
- I have discussed this with the Deputy, Doug Feith and General Myers. I believe that all join in my recommendation that, as a matter of policy, you authorize the Commander of USSOUTHCOM to employ, in his discretion, only Categories I and II and the fourth technique listed in Category III ("Use of mild, non-injurious physical contact such as grabbing, poking in the chest with the finger, and light pushing").
- While all Category III techniques may be legally available, we believe that, as a matter of policy, a blanket approval of Category III techniques is not warranted at this time. Our Armed Forces are trained to a standard of interrogation that reflects a tradition of restraint.

RECOMMENDATION: That SECDEF approve the USSOUTHCOM Commander's use of those counter-resistance techniques listed in Categories I and II and the fourth technique listed in Category III during the interrogation of detainees at Guantanamo Bay.
