John Greenwald

Dear Mr. Greenwald,

This is in response to your 27 May 2009, Freedom of Information Act request for copies of records regarding tower logs, flight data strip, letters, memos, photographs, video, audio recordings, etc related to an F-18 or any other aircraft in the air on the evening of for 17 March 2009. Per your request the tower log and flight data strips are full releasable and attached. There is no record of an F-18 that transited the Beale Tower assigned airspace and Beale AFB does not have any other records regarding your request.

Department of Defense Regulation 5400.7 indicates fees will be assessed for processing this request; however, the fees are waived in this instance.

Sincerely

ARISA NAASKO, TSgt, USAF
Freedom of Information Act Manager
