MEMORANDUM

TO: (b) (6) (Air Force Locator - AFPC/MSIMDL)
FROM: Lieutenant Colonel (b) (6) (AFMOA/SGZR)
SUBJECT: Search for Personal Information - Thule Nuclear Weapons Accident
DATE: 11/8/2017
CC:

The attached list (Word 97) contains names of personnel who responded to a Nuclear Weapons Accident at Thule AB, Greenland in early 1968. Our office is currently sponsoring a project to assess the possible radiation dose for the participants using medical testing data identified by Social Security Account Number.

I am requesting your help in searching your locator information and providing the Social Security Account Number for as many of the names on the attached list as possible. This purpose is an important effort by the Air Force Medical Service to assess any possible health effects from participating in the response. Your help would be invaluable.

If you have any questions, please call me at DSN (b) (6), or commercial (b) (6), or email at (b) (6) [@USAFSG.bolling.af.mil](mailto:(b) (6)@USAFSG.bolling.af.mil).
