RE: FOIA No. 2017-IGFP-00194

Dear Mr. Greenewald Jr.:

This responds to your January 18 Freedom of Information Act (FOIA) request to the Office of Inspector General (OIG) for records created by Bocra Holdings dba Infinity Investigative Solutions under OIG Contract Number 6HQOIG-16-B-0069. Specifically you requested all materials created, all reports, communications, emails, etc. pertaining to the above referenced contract number.

A search of records maintained by the Contracts group located 100 pages responsive to your request. I determined 17 pages appropriate for release with redactions made under FOIA Exemptions b(6)<sup>1</sup>, 5 U.S.C. § 552 (b)(6); copies are attached. I am withholding in full 44 pages under FOIA Exemptions b(3)<sup>2</sup>, b(4)<sup>3</sup>, b(6)<sup>4</sup>, and 7(C)<sup>5</sup>, 5 U.S.C. § 552(b)(3), (b)(4), (b)(6), and (b)(7)(C). The remaining 39 pages are duplicates.

If you have any questions regarding the processing of this request you may contact me and/or the FOIA Public Liaison at 703-248-2100. You may also contact the Office of Government Information Services (OGIS) at the National Archives and Records

---

<sup>1</sup> Exemption (b)(6) pertains to information the release of which would constitute a clearly unwarranted invasion of the personal privacy of third parties. The withheld material includes names, titles, and identifying information of private citizens. This information is not appropriate for discretionary disclosure.

<sup>2</sup> Exemption (b)(3) provides that agencies may withhold records that are exempted from disclosure by another statute that "establishes particular criteria for withholding or refers to particular types of matters to be withheld." Title 39 U.S.C § 265.6, 410(c)(2) provides that "information of a commercial nature, including trade secrets, whether or not obtained from a person outside the Postal Service, which under good business practice would not be publicly disclosed," is exempt from the disclosure requirements of the FOIA. This exemption was enacted as part of the Postal Reorganization Act of 1970 and operates both independently and as an exempting statute.

<sup>3</sup> Exemption (b)(4) protects trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential.

<sup>4</sup> See footnote 1

<sup>5</sup> Exemption (7)(C) permits the withholding of records or information compiled for law enforcement purposes, the release of which could constitute an unwarranted invasion of the personal privacy of third parties.

Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001, e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with my action on your FOIA request, you may file an administrative appeal by writing to the attention of Gladis Griffith, Deputy General Counsel, 1735 N. Lynn Street, Arlington, VA 22209-2020, within 90 days of the date of this letter. We accept written appeals via U.S. Mail; e-mail to [FOIA@uspsoig.gov](mailto:FOIA@uspsoig.gov); or fax to 703-248-4626. Include the initial request number (e.g., 20XX-IGXX-00XXX) and the date of this letter. Explain what specific action the FOIA Office took that you are appealing. A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

**U.S. person.** Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

Ms. Ross,

Thank you for the message. Please accept this email in response to your request for clarification. Regarding the supplier capability, should an unforeseen circumstances arise where I am personally unavailable to conduct training, I have several associates that are capable of delivering the training on short notice using my outlines and criteria. Their experience and level of training is similar to mine and they have significant experience in training open source intelligence courses.

With respect to prior work experiences, the curriculum provided to agencies referenced was more than substantially similar to the curriculum outlined in my proposal and as requested in the USPS OIG Internet Reconnaissance Training Solicitation. While the other agencies may have not titled the course Internet Reconnaissance Training our open source and internet intelligence training more than satisfied the same requirements. The objective in all of our training courses is to use the latest technology, current open source intelligence gathering techniques while maintaining our anonymity.

Please let me know if you have any additional questions.
