Office of Scientific Intelligence

OFFICE OF SCIENTIFIC INTELLIGENCE

As the CIA component with primary responsibility for scientific intelligence analysis, evaluation, production and presentation, the Office of Scientific Intelligence under the direction of the Assistant Director for Scientific Intelligence:

1. Prepares scientific intelligence reports and estimates designed to present and interpret the status, progress and significance of foreign scientific research and developments which affect the capabilities and potentials of all foreign nations.
2. Makes substantive review of basic scientific intelligence produced by other agencies and advises ORE on its adequacy for inclusion in the National Intelligence Surveys.
3. Formulates the national scientific intelligence objectives in collaboration with the IAC agencies and under the guidance of the NSC.
4. Evaluates available scientific intelligence information and intelligence; assesses its adequacy, accuracy and timeliness and prepares reports of assessments for the guidance of collection, source exploitation and producing agencies to assure that all significant fields of scientific intelligence bearing on the National security are adequately covered.
5. Formulates requirements for the collection and exploitation of scientific intelligence data in order to insure receipt of materials necessary for fulfillment of production requirements.
6. In collaboration with appropriate CIA components and the IAC agencies, advises and aids in the development coordination and execution of the overall plans and policies for inter-agency scientific intelligence production.
7. Advises the Director of Central Intelligence on programs, plans, policies and procedures for the production of national scientific intelligence.
8. Assists ICAPS in preparation of plans, policies and procedures for inter-agency scientific intelligence coordination.

DEPUTY ASSISTANT DIRECTOR

Exercises general supervision over the administration of the office, performs such other duties as may be assigned by the Assistant Director and serves as Assistant Director in the absence of that officer.

INTEGRATION PANEL

The Integration Panel comprised of the Assistant Director for Scientific Intelligence as Chairman, the Deputy Assistant Director as Vice Chairman and Chief, Production Staff, Chief, Coordination Staff and Branch Chiefs as members:

1. Reviews and determines the specifications for each report and estimate not mutually agreed upon by the appropriate producing components of OSI.
2. Reviews and finalizes drafts and reports and estimates not mutually agreed upon by the producing components prior to the coordination process of the IAC Agencies.
3. Reviews finished OSI intelligence production.
4. Reviews problems relating to scientific intelligence production.

The Panel is convened in whole or part by the Chairman for the above purposes, in accordance with the nature of the problem to be considered and the degree to which the separate producing components are concerned.

Statement of Functions

SCIENTIFIC SERVICES STAFF

1. Maintains constant liaison through established CIA channels with those Government agencies authorized to receive scientific intelligence from CIA to insure that those agencies are receiving intelligence according to their needs and to promote the effective interchange of scientific information.
2. Supplies necessary technical advice to secure the supplies, equipment and contractual services necessary to the production of scientific intelligence.
3. Serves as the channel for the procurement, receipt and distribution of intelligence materials for OSI. Assures the proper flow of information internally to analysis groups to fulfill requirements.
4. Maintains a continuing current control and record of the progress and status of all projects, studies or reports.
5. Provides classification and coding support to the OCD machine operations for OSI reference and research.
6. Provides necessary technical clerical assistance for the entire office.
